### **Resiliency is Found in Acknowledging God's Faithfulness in our Lives**

For all the promises of God in Him *are* Yes, and in Him Amen, to the glory of God through us.  
-2 Corinthians 1:20

May we be encouraged today by this scripture which speaks emphatically concerning the faithfulness of God. Each of us faces various life experiences in the world in which we live. I am reminded of how and when God is and has been faithful to me and others, even when we were not. God always fulfills His promises though we are often filled with doubt. God is very deliberate, methodical and logical yet His ways are often hidden from us. From our perspective, God works in mysterious ways. Our lives are filled with joys, challenges, curve balls, accomplishments, setbacks and victories. I encourage you to contemplate the faithfulness of God in your life today, give thanks and put your renewed trust in God. He is the same yesterday, today and forever [Hebrews 13:8] yet never boring. His mercies are new every morning:

*"Through the LORD's mercies we are not consumed, Because His compassions fail not. They are new every morning; Great is Your faithfulness. "* – Lamentations 3:22-23

If we confess our sins, He is faithful and just to forgive us *our* sins and to cleanse us from all unrighteousness. - 1 John 1:9

Happy New Year to each of you!
